It is an eco-community lodge trek that was opened for tourists in 2010. You can experience the allure of the mountains, nature, and culture at their most tranquil on our 10-day **Mohare Danda Trek itinerary**.

Mohare Danda is a beautiful hill station situated at 3,300 meters above between the massif Mt. Annapurna and Dhaulagiri gorge. The trek takes you through the impressive local villages, alpine forests and rivers originated from the mountains. Once you get to Mohare danda, the sunrise and sunset views over the glittering mountains will make you forget all of your life's problems.

It is the first community-based trek introduced to travelers in the history of Nepal tourism. So, every day you will stay at the typical homestays that are run by the local community on this route. This off-the-beaten [trek in Nepal](#) is for those hikers who are looking for an alternative route for the [Ghorepani Poon Hill trek](#).

Even more, you can also get an opportunity to explore the ethnic people's cultures, traditions, and their livelihoods.
