Overview

Are you looking for a short trek around the Khumbu region to get a close view of Mount Everest? And don't you have enough time for [EBC Trek](#)? Here we have introduced the Pikey peak trek where you can get the finest view of Mount Everest in a short period. Pikey peak trek is one of the fast-growing trekking trails located in the Solukhumbu district. The highest point of this trek is 4,070 meters from sea level. It is a newly discover hiking route in the lower [Everest region](#).

A trail to pikey peak introduces traditional living styles of several ethnic groups. Gurung, Sherpa, Tamang, and Chettri are the main ethnic community that lives around since the early. Besides it, one may enjoy a stunning perspective of the surrounding landscapes. On this short trek, you can get a grand view of mountains like [Mt. Everest](#), Lhotse, and Amadablam. Along with the impressive sight of Mt. Makalu, Kanchenjunga and Langtang to the far west can add a pleasant flavor to your trip.

The most significant locations for natural and biological diversity are said to be the Likhupikey Rural Municipality and the Solu Dudhkunda Rural Municipality. Our 10 days Pikey peak trek also gives an opportunity to explore numerous [Buddhist temples](#) (monastery, stupa, and gumpa). This trek is also for those hikers who do not have extreme physical fitness but have a strong desire to see the tallest peak on earth 'Everest' closely.

Travelers may indeed enjoy some of the spectacular sunrise and sunset views at Pikey Peak. It has extensive Sunpati, Pine, and Rhododendron forests as well as a variety of birds and animals. Therefore, the Pikey region is a home to Lophophorus, Crimson Horned Pheasant, Tiger, Wild Bear, Panda, and Ghoral. Similarly, you can see domestic animals such as Chauri, Yak and cow anywhere in this area.
